Hello,

Moises, this can be passed on to the BID for the board to act or not act upon. Please make it clear we are passing along the information for CD10 but are not taking a position. It is up to the BID Board to decide whether or not they want to sign without our influence one way or the other.

The LANI Board is NOT approving LANI's signing on to the letter at this time.

Thanks,
Veronica

Hi Moises:

If I'm not mistaken this request would need to be approved by the BLQ-BID Board, not LANI.

Also this is a highly controversial issue so I'd like Veronica's feedback on how to proceed.

Thanks,
Rebecca

Cairo is requesting that the BID sign a letter of support regarding the proposed emergency homeless shelter on Vermont and Wilshire.

I attached a copy of the letter for your review.

Hi Moises,

Would you please sign a letter of support from the BID and a letter of support from LANI?
